NOTE: Please remember to fill out one registration form per registrant. Though it is preferred that registration forms be accompanied with payment, it is also important that we plan for the correct number of attendees - we will not be so easily able to accommodate those showing up without prior notification and registration fees will be increased for those we do accommodate (see Walk In Fees above). With this in mind, please fax all completed registration forms to Janice Post prior to the registration deadline. If you have not received notification of receipt of registration prior to registration deadline, please follow up with Janice.
